

The Academy
Academic Committee
April 20, 2015
Minutes

1. Approval of the minutes
2. The 2015-16 school calendar was reviewed and endorsed. The major change from the 2014-15 calendar is that the date for starting school was moved forward so that finals can be completed in December prior to the winter break. This change also means that the timing of AP exams will be better aligned with The Academy calendar.
3. Academy health and safety plan / emergency procedures were reviewed and endorsed.
4. Plans for the administration of the UCI Survey to Academy students and teacher were reviewed. Survey items were reviewed and endorsed.
5. The Academy Scorecard was reviewed and endorsed for presentation to the Academy Board at its April 28 meeting. The timeline for collecting particular items were discussed.
