FIELD TRIPS & CULTURAL EXCURSIONS

The Samueli Academy (the “Charter School”) Board of Trustees recognizes and supports the concept of connecting our students with the broader community, both locally and globally, by providing field trips, cultural and art experiences, community service opportunities, and environmental education to fulfill the Charter School’s mission and philosophy. These activities help to promote tolerance, understanding, and acceptance of others, and enrich the educational experiences of the students, as well as meet the Charter School’s goal of creating passionate life-long learners. When a student is alert, observant, curious, reflective and respectful, learning and growth can occur anywhere, at any time, and, as educators, we must facilitate this dynamic process. There is no boundary to learning.

The safety and security of our students is a primary priority when planning or participating in field trips or excursions. These activities will be carried out in an appropriate manner to maximize and ensure student safety and to minimize the Charter School’s legal liability and financial cost.

The teaching team will continue to research and provide enriching learning opportunities to share with their students both within the classroom and out in the broader community.

Definition

A field trip or excursion is defined as students leaving Charter School grounds.

Monitoring Field Trips and Excursions

The teaching team is encouraged to plan, promote, and produce appropriate, effective, exciting and valuable educational field trips and excursions to expand student knowledge base and growth.

The Head of School shall ensure that the field trips and excursions have an adequate number of adults attending and are monitored and are continually evaluated, thereby, ensuring that the activities promote the philosophy, goals and objectives of the Charter School’s educational program.

A first aid kit shall be in the possession of the sponsoring teacher or accompanying the Charter School employee at all times during the student field trip or excursion.

Field Trip and Excursion Planning and Approval

The Head of School will ensure that the following items will be adhered to for all Charter School field trips and excursions:

- 1.) The proposed field trip or excursion relates to the Charter School’s educational objectives
- 2.) The correct ratio of adult to students is met for supervision of the activity
- 3.) A means of transportation to and from the activity is provided
- 4.) Adequate restroom facilities, food and water will be available during the activity

The following forms are required for all Charter School-sponsored field trips and are available in The Den:

- Field Trip Activity Request Form (form available in the The Den)
- Activities Request Form (form available in the The Den)
- Transportation Request - if bus is needed
- Parent Consent Forms/Permission Slips (APPENDIX M) (if needed)

Overnight field trips and excursions require both the above procedure and Board approval. Overnight field trips also require a minimum of 1 male and 1 female chaperone, which would include the staff advisor.

Even though we have a policy of inclusion, there may be a situation when the Head of School must use his or her discretion to exclude a student from a field trip or excursion when that student's presence and participation would pose a safety or disciplinary risk. In order to participate in school-sponsored field trips, students are required to maintain passing grades in classes that meet during the scheduled field trip.

The Head of School shall not approve any activity that he/she considers to be inherently dangerous to students.

Permission Slips

In an effort to be efficient and environmentally sensitive, parents/guardians will have the option of signing one permission slip form at the beginning of each year authorizing their child(ren) to attend any field trip that is planned during the school year. Parents/guardians may instead, elect to receive and sign individual permission slips for each field trip or excursion throughout the year. Parents will be given advance notice of each field trip or excursion.

Notwithstanding any other portion of this policy, all overnight and out-of-state field trips require an individual permission slip.

The permission slip will include a waiver of all claims against the Charter School, its employees, and the State of California for injury, accident, illness or death occurring during or by reason of the field trip or excursion. Items that will be included on the permission slip are:

- 1.) An emergency phone number for the student
- 2.) Any medications the student is required to take with the time and dosage required
- 3.) Any food and/or medications the student is allergic to
- 4.) Any other medical information necessary to ensure the student's safety

A copy of a completed and signed permission slip will be kept on the Charter School site by the Head of School and one copy will be given to the teacher to take on the field trip or excursion. These forms will be regularly updated to keep all information current.
