### Policy Statement on Consensual Relationships

Consensual romantic or sexual relationships between supervisors and employees and between staff are potentially exploitative and must be avoided. They raise serious concerns about the validity of the consent, conflicts of interest, and unfair treatment of others. In addition, a supervisor will be prohibited from evaluating an employee's job performance if he/she is romantically/sexually involved with that employee.

The School's anti-nepotism policy precludes individuals from evaluating the work performance of others with whom they have intimate familial or personal relationships, or from making hiring, salary, or similar financial decisions concerning such persons. The same principles apply to supervisor-employee relationships in the context of work or academic evaluation.

Violations of this Policy Statement on Consensual Relationships, if proven, will result in the imposition of corrective actions and/or disciplinary sanctions, up to and including dismissal from employment.

### **Prohibition Against Dual Relations**

Staff members are not to engage in dual relationships with any students, regardless of the student's age, who are receiving direct services from Samuelli Academy. A "dual relationship" is defined as anything other than a professional relationship, including, but not limited to romantic or sexual relationships, business dealings, borrowing or lending money, and home sharing. If an employee is uncertain about whether he or she is entering into a dual relationship situation, the employee should ask his or her supervisor or Human Resources for clarification.
