Board of Trustees Governance Standards

Charter schools are governed by Boards, not by individual Board members. While understanding their separate roles, the Board, Executive Director and Head of School work together as a governance team. The governance team assumes collective responsibility for building unity and creating a positive organizational culture to govern effectively. In consideration of these guiding principles, the following policies and job descriptions identify the role of the Board, Chair of the Board of Trustees, Vice Chair of the Board of Trustees, Secretary, Treasurer, Executive Director, CFO, and the Head of School.
